To,

Sub: -Practical / Industrial Training for 6-8 weeks ___Request for.

Dear Sir/Madam,

RPIIT Technical Campus, Bastara, Karnal has come up as one of the leading and fast growing academic group at NH-1 near Madhuban Police Complex, Karnal in Haryana. We offer Diploma in Pharmacy, Medical Lab Tech. & Civil and undergraduate programmes in Engineering (all Streams), Management, Pharmacy, Physiotherapy, and Nursing. We also offer Master programmes in Compute Science, Mechanical & Civil streams of Engineering, Pharmaceutics. All these programmes are approved by authorized bodies. For technical degree certificates we are affiliated to Kurukshetra University, Kurukshetra and for Medical courses to Pt. B. D. Sharma University of Health Science, Rohtak. To bridge the gap between the syllabi of the university and the requirement of the Industry, we run five training Centers in different areas for the students to update their professional knowledge.

Further, as part of their **curriculum, Management** students are required to undergo **6 to 8 weeks practical/ Industrial training** at the end of **4th & 6th semester during July to August 2019**. The purpose of the student's training is to expose them to industrial atmosphere and to get hand-on-experience on practical aspects. In this context the following student is recommended for such training at your esteemed organization.

Name	Father's Name	Roll No.	Discipline & Semester
------	---------------	----------	-----------------------

I request you to **kindly provide the required facilities** to the above student. It is further mentioned that for proper utilization of time and making the training meaningful, the student may be given **small project / assignment** which is useful to your organization and for professional benefit of the student. We request you to convey the confirmation of training to the undersigned at the earliest at tpo@rpiit.com

I look forward for your **kind support** in this regard.

Thanking You,

Yours sincerely,

Training & Placement Office
